ALBANY PUBLIC INFORMATIONAL MEETING
REHABILITATION OF 1.2 MILES OF NH ROUTE 112

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Wednesday, January 18, 2006 in Albany to discuss the proposed rehabilitation of 1.2 miles of NH Route 112.

The intent of this project is to widen the roadway from one mile east of Rocky Gorge Parking Area to the west end of Lower Falls to provide 11-foot travel ways and five-foot paved shoulders in each direction, along with drainage and guardrail improvements. The purpose of the meeting is to present the proposed work to citizens and public officials, and to solicit input.

The January 18 public meeting will take place at the Albany Town Hall, 1972 NH Route 16, in Albany, New Hampshire, beginning at 7:00 PM.
